

Rouge Bouillon School

Hire of Premises

September 2018

Rouge Bouillon School adheres to the Education Department policy for hire of premises as published by the States of Jersey and is available on their website.

Charges for hire of premises

The charge for use of the school building (or part of the building), including use of the car park, will be £20 per hour.

The charge for using the car park, but not the main school building, will be £10 per hour.

The school reserves the right to refuse to hire premises to any individual or organization, or to terminate the hire of premises with reasonable notice.

Charges will be subject to annual review in September.
